Mine Contamination as of November 2016

States Parties to the Mine Ban Treaty are bold, OTHER AREAS are UPPER CASE ITALICS.

- Argentina and the United Kingdom both claim sovereignty over Falkland Islands/Malvinas, which still contain mined areas.

Note: Clearance reported complete

- No evidence of mined areas
- No estimate provided
- Residual or suspected

Legend:
- Massive (>100km²)
- Heavy (20-99km²)
- Medium (5-19km²)
- Light (<5km²)
- Clearance reported complete
- No evidence of mined areas
