Notes:
The European Union as an entity provided US$73.8 million in international support for mine action.
The Office of Coordination of Humanitarian Affairs provided US$4.1 million to mine action in 2016.
Other international donors contributing less than US$3 million each included the OPEC Found for International Development, Sudan Humanitarian Fund, and UNA-Sweden.
International donors provided an additional US$52.7 million without designating recipient state(s).

States Parties to the Mine Ban Treaty are bold. Signatory is italics. OTHER AREAS are UPPER CASE ITALICS.
